

AMBULATORY CARE SERVICES

Registered Nurse I (A-item)

POSITION: LAC+USC Medical Center's Ambulatory Care Services have a position available for an RNI to support the expansion of its **Specialty Care Clinics**. We are seeking highly motivated candidates who are interested in working in the ambulatory care setting with adult and/or the pediatric patient population.

RESPONSIBILITIES INCLUDE BUT ARE NOT LIMITED TO:

- Interviews patient and other individuals to obtain complete health history including present illness, current health status and past medical, psychosocial, spiritual and, family histories. Considers patients' values and beliefs when providing care.
- Assesses, evaluates and documents, in an ongoing and systematic manner, the patients' physical, medical, and psychosocial circumstances. Identifies economic, cognitive or cultural barriers and determines their influence on the provision of care. Refers patients based on patients' needs and risk factors involved.
- Develops a plan of care based on assessment process, collaborating with all involved in the care of the patient (interdisciplinary team, patient, family, and significant others) to provide the most effective care and treatment.
- Provides nursing care and administers medications and treatments to patients as prescribed; observes patient's response to interventions and treatments and monitors for side effects of medication administration.
- Follows established policies and procedures within their scope of practice.

DESIRABLE QUALIFICATIONS:

- Experience working with patients with Dermatological Disorders
- Experience in operating Phototherapy Equipment used for Dermatological Disorders
- One year recent experience working in an inpatient or outpatient medicine/medical-surgical area, including working with the pediatric patient population
- Effective interpersonal and organizational skills
- Effective critical thinking, decision making, and problem solving skills

In order to be considered you must be a RNI or reachable on DHS RN I Exam Certification List.

Interested candidates need to submit a brief cover letter indicating the area of interest, a current resume, and the last two years performance evaluations and last two years time records to:
